

INSTRUCTIONS FOR COMPLETING AN ASSEMBLY PERMIT APPLICATION

DEAR APPLICANT:

Attached for your use is the current permit application for public assemblies. This form contains many important items of information for which the applicant will be responsible. Hence, **it is important that the applicant review *all* information and completely fill out all sections of the form.** If a question is not applicable, fill in the blank with "NA" (not applicable).

For small events (less than 100 people and no street closures) **applicants are strongly encouraged to submit their application at least twenty-one (21) calendar days prior to the proposed date of the public assembly.** For large events and festivals (over 100 people or your event requires closing streets) **applicants are strongly encouraged to submit their application at least forty-five (45) calendar days prior to the proposed date of the public assembly.**

The following items should help you through the process:

- If your event is to occur within the downtown area (generally defined as the area bounded by Williamson Road to the east, 6th Street, SW to the west, Orange Avenue to the north, and the Roanoke River to the south), please begin by contacting Downtown Roanoke, Inc., at (540) 342-2028 (ext. 14) for completion and processing of the assembly permit application. Downtown Roanoke, Inc., provides guidance and resources for all events occurring in the downtown area. For more information, go to <http://www.downtownroanoke.org>
- If your event involves the use of a City of Roanoke park, plaza or other public property, please contact the Parks & Recreation Department (215 Church Avenue, SW – Room 303) at (540) 853-2236 to reserve the location prior to submitting the assembly permit application.
- You must contact the City of Roanoke's Police Department (Patrol Administration Office) at (540) 853-2387 at the time your application is submitted to review all issues relating to the general public health, safety and welfare and to determine if police resources will be required.
- Your event may require a certificate of insurance. Please contact our Risk Management Office (215 Church Avenue, SW – Room 209) at (540) 853-1856 to discuss the details of your event. The need for liability insurance coverage is determined by the type of event and any liability issues that it may pose. If it is determined by the Office of Risk Management that you need liability insurance for your event and you do not currently have the coverage, you may search the Internet for information on purchasing event insurance. Prior to purchasing this insurance, make sure that the company is licensed to do business in the Commonwealth of Virginia.
- If more than 1,000 persons are anticipated to congregate at any one time, or if the event is non-stationary (e.g. parade, walk, distance run), an Emergency Action Plan (EAP) is required. Please attach one copy of the EAP to your application. Go to www.roanokeva.gov/639/Emergency-Management

website for link to an EAP template or call Emergency Management at (540) 853-2426 for assistance.

- If your event involves liquid wastes, they must be properly managed. Examples of liquid wastes include cooking oil/grease, wash and sanitizing water, beverage service spills, and more. See Section 12 of the permit for more information.
- If there is a valid need for event support vehicles to park within the footprint of a public assembly, you must contact PARK Roanoke at (540) 343-0585 or parking@PARKRoanoke.com to obtain Temporary Parking Permits. Temporary Parking Permits are issued for a specific vehicle at a specific location; therefore, when contacting PARK Roanoke, be prepared to provide detailed information for each vehicle and parking location. Rules and Regulations for Downtown Events Revised 8/10/07

The purpose of these rules and regulations is to protect your event from extra expense and last minute changes. These rules will help special events become a more positive and beneficial experience for fundraising organizations, as well as for downtown merchants and vendors. These guidelines must be met in order to ensure a positive experience for the downtown community.

1. Large events that draw a gathering of an audience or crowd must turn in a completed Assembly Permit no later than **two months** prior to the event date. Smaller events geared for pedestrian traffic must turn in a completed Assembly Permit no later than **ten business days** prior to the event date. A \$50 fee will be charged for permits submitted late. Depending on when the permit is submitted, the event may not have enough time for approval and therefore will need to be rescheduled.
2. Events may not dump grease or any other substance into drainage grates. This will cause serious electrical and environmental damage and your event will be financially responsible for any damage caused.
3. **All trash must be removed from the event site; trash removal is the responsibility of the event organizer. Event planners will need to provide extra trash receptacles for their events.** Dumpsters are owned and used by area restaurants. Events are not to dump trash in any existing dumpster and will be held financially responsible for any fines given to a restaurant whose dumpsters are filled past capacity due to your event. Event organizers must provide trash can liners, change out the liners during the event, and have fresh, empty liners in all cans at the end of their event. For small events, you may call Solid Waste Management to schedule a trash pick-up; all trash must be bagged and left on the street corner for pick-up. Events that anticipate a very large amount of waste must rent their own dumpster. This may be done through Tidy Services (540) 345-0168.
4. Events must take into consideration the placement of all entities of their event. Restrooms and dumpsters are not to be placed anywhere near restaurants or windows. Vendors must not be placed near competing merchants (for example, a hot dog vendor should not be placed near the Roanoke Weenie Stand).
5. Organizer must notify **30 days prior** all affected merchants and vendors of any closings that will affect their business. A form will be provided by Downtown Roanoke, Inc. for copy and distribution.
6. **Set-up of Market Square events will need to be approved through Downtown Roanoke, Inc.** We can be reached at (540) 342-2028.
7. Events anticipating a large amount of attendees must supply an appropriate amount of portable toilets. Restaurant and merchant restrooms are not for public use. Portable toilets may be rented through Tidy Services (540) 345-0168. Your event may be subject to fines if adequate facilities are not provided.
8. Under no circumstances may downtown sidewalks be blocked by barricades, vendors, or any other part of your event. Any event using the Farmer's Market stalls **MUST** set up from the street side of the stalls, allowing pedestrian traffic on sidewalks.
9. Tents must be secured with sandbags or weights; stakes are **NOT** allowed. Any damaged caused by punctured irrigation pipes will be at the planner's expense.

This signature acknowledges that you have been given both verbal and written instruction and agree to adhere to all rules stated above. Failure to follow these guidelines will cost your fundraiser unnecessary expense and may prevent you from hosting future events in Downtown Roanoke.
